

SADGA MID-NORTH DURUM CROP WALK

Wednesday 11th September 2019

9:30 am Start

PRESENTERS

- **Dr Jason Able:** Durum Breeder & Head, Dept of Ag Science, University of Adelaide
- **Dr Jacinda Rethus:** Research Officer, University of Adelaide
- **Dr Marg Evans:** Plant Pathologist, SARDI
- **David Keetch:** Field Development Officer, Nufarm
- **Dr Sue Stewart:** Research Fellow, University of Adelaide
- **Dr Rhiannon Schilling:** Post-Doctoral Research Fellow, University of Adelaide
- **Dan Vater:** General Manager Marketing & Seed Production, AGT

PROUDLY SUPPORTED BY

Head out of Adelaide on the Northern Expressway, take the first exit to Roseworthy Ag College (also has Mallala on sign). After passing the Mallala turnoff, the site is on the left and used both paddocks between the Mallala road and the College. Access is off the bitumen straight after the house in the corner, or off Callahan Road which is the first road on the left after the site. Maps will be available closer to date. Look for signs/flags

9:30 am	Welcome	Simon Mildren SADGA President
9:35 am	NEW DURUM VARIETY RELEASE Do you want high yield, better disease and quality packages for your Durum? UAD1154197 could be the answer. Location: S4 Trial	Dr Jason Able
9:45 am	SAGIT NITROGEN USE EFFICIENCY RESEARCH TRIAL Can you apply less N and still achieve high protein?	Dr Jacinda Rethus
9:55 am	CROWN ROT RESEARCH TRIAL • End of S0-23 Trial, Dr Hugh Wallwork's lines	Dr Marg Evans
10:10 am	NEW KNOCKDOWN CHEMICAL TRIAL • Crucial: high load liquid (600g/l glyphosate) with triple salt and surfactant formulation • Amicide Dropzone 500: Low odour, low drift 2,4-D with excellent glyphosate compatibility • Terrad'or: New group G herbicide with extremely fast brownout, enhanced activity on grass weeds and short plantbacks.	David Keetch
10:25 am	GRDC BARLEY MALT FLAVOUR PROJECT What do we know about flavour and how will it impact the bottom line for growers and imports?	Dr Sue Stewart
10:40 am	GRDC Sodic Trial & SAGIT Drone Project How do drones create value to assess sodic soil constraints and valuable data for wheat and durum	Dr Rhiannon Schilling
10:55 am	Leave for Australian Grain Technologies Southern Crop Breeding Centre at 20 Leitch Road, Roseworthy	
11:00 am	AGT: RELEASE OF 2 NEW DURUM VARIETIES with; Tour the state of the art greenhouse, high tech lab facilities which brings together world class breeding solutions for Australian Farmers.	Dan Vater
12:30 pm	Lunch at and provided by AGT	
2:00 pm	SADGA Committee Meeting at AGT	

SADGA gratefully acknowledge the support by our research partners
