Dear Grower,

We value and encourage your membership of the Association.

Grower membership enables the Association to;

- organize research projects, field days and information forums,
- support for the multiplication and maintenance of new varieties of Durum Wheat,
- provides clean seed of purity standard of the new varieties.

Benefits to you as a Member:

- Free entry for one member of each business membership or an individual membership to SADGA Events with SMS notification.
- Durum Seed testing for bread wheat contamination can be arranged for members on request.
- Early information on new Durum varieties for release and other relevant information.
- 2 Newsletters providing up to date relevant information of the Durum Industry.
- \$50/tonne discount for any SADGA durum seed orders plus \$100/tonne earl bird discount for orders received before Dec 1.

Your support of membership is very much appreciated.
